

Over the years Raveau boats have built and maintained an enviable record in stock utility racing. For those not familiar with it we may mention winners in the 1947, 1949, 1950, 1951, 1952 Albany to New York Marathons (no race in '53). During 1953 in class B alone Raveau boats took first place in great events such as the WinnebagoLand, Peoria, WinnebagoSaukee, Philadelphia, etc. marathons.

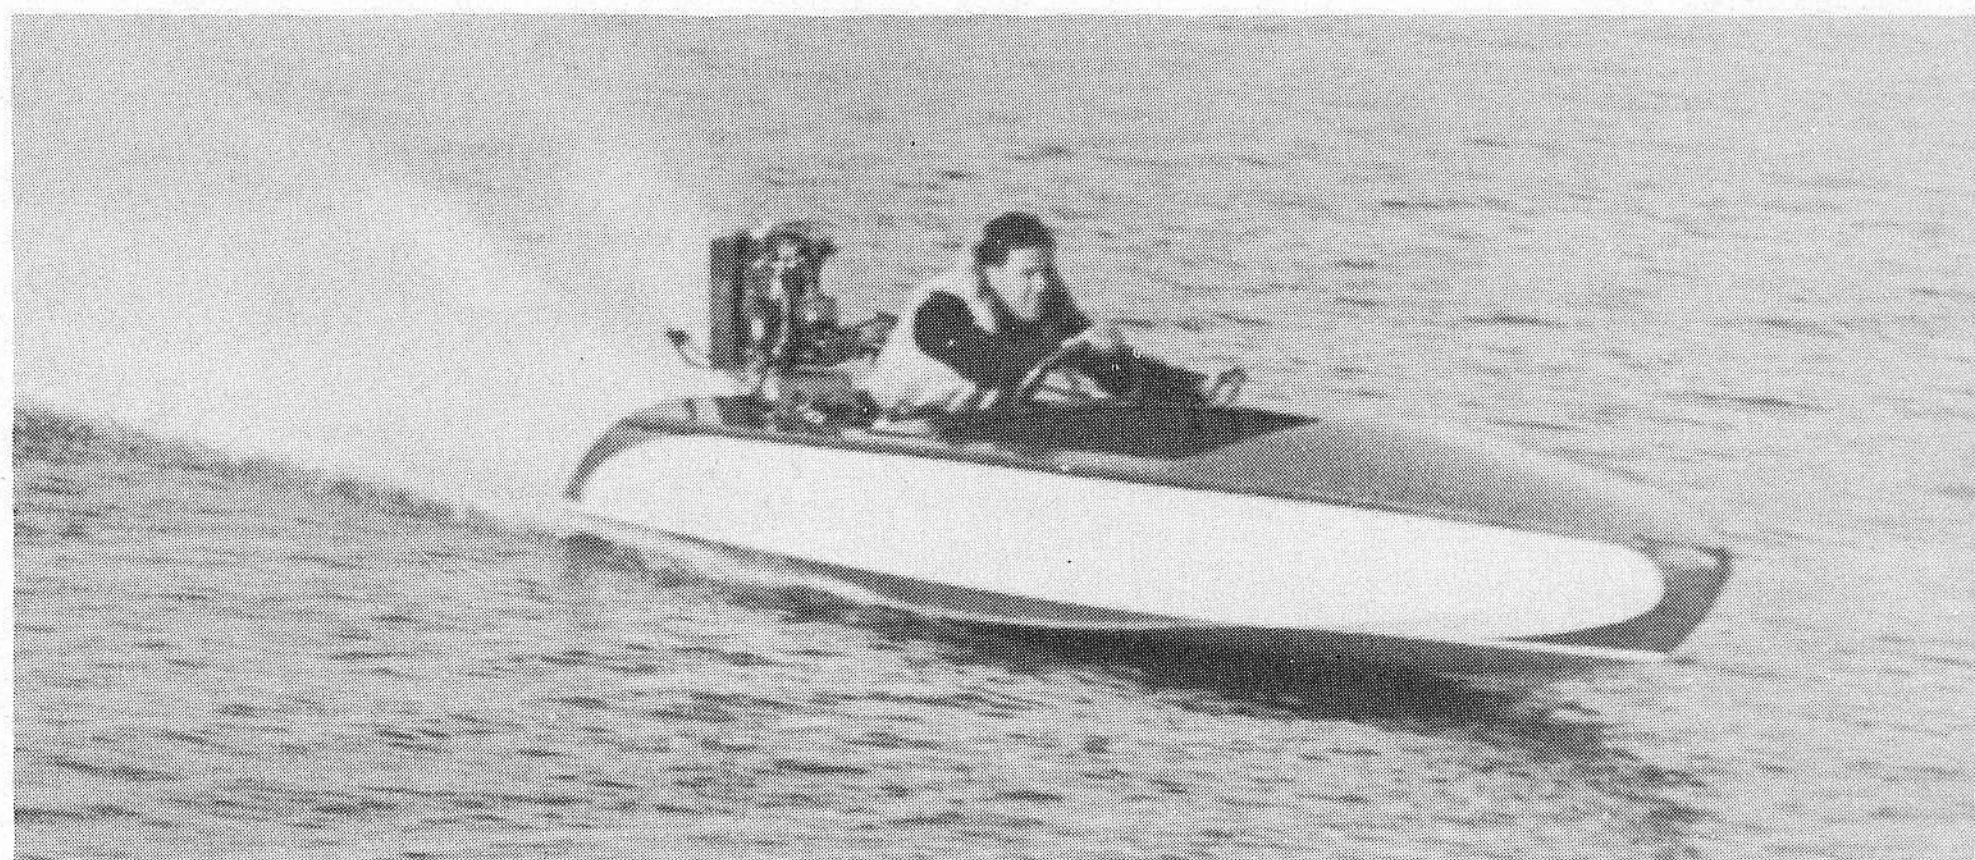

At this point it is obvious that a Raveau boat has what it takes. The combination of design, materials, workmanship and finish have resulted in a boat any driver will be proud to own.

Standard colors are — cream hull, mahogany deck, bright red bottom.
